ISA Texas Channel Section's INSTRUMENTATION EXPO

Thursday, April 11, 2019

We invite you to join the 35th annual Texas Channel Instrumentation Expo. It has become the largest and most highly anticipated Technical Exposition in the Ship Channel and Bayport Areas.

As host for this event, the ISA Texas Channel Section encourages your participation at this year's Instrumentation Expo at the Pasadena Convention Center (7902 Fairmont Parkway, Pasadena, Texas).

This event is the largest, single source fundraiser for the Texas Channel Section's [Scholarship Program](#), which is open to any student seeking a degree in the Technical or Engineering fields. By participating in this event, you are helping shape the future of our industry!

Our promotional efforts will be directed at Engineering and Maintenance Department Managers from all our major Channel Area Manufacturers. We ask not only for vendor participation, but also for support in forwarding the invitation and encouraging attendance within their respective work groups. Complimentary BBQ Meal Tickets are included in the vendor participation package to pass along to invited attendees.

Additionally, we will post an announcement of the event in *ISA Insights Magazine*, our newsletter, website and other local partnered ISA Sections Newsletters.

Finally, your involvement as an Exhibitor will serve to promote participation within your working network via your representatives to client associations. Personal contact and event announcements coupled with distribution of Complimentary BBQ Tickets will encourage their attendance. The event will then provide a social setting to meet and greet with your existing network and present you with new contacts to further augment the networking opportunity.

As a past or new exhibitor participant, please review the attached Exhibition Area Overview and the Exhibitors Registration online. Should you have any questions or require any additional information, please contact oana@evokeexperiences.com or call 469-879-4222. *Early Bird discounted pricing ends 1/11/2019.*

Thank you,

Victor Carbajal | Exhibit Chairman | 832-236-7702

To provide exhibitors with the best possible attendee traffic, we attempt to position exhibitors' so that they are not directly adjacent to competitors. However, sometimes this is not possible, especially as we move closer to April 11th, 2019. We appreciate your understanding.

Remember: An Early Bird Reservation is critical in optimizing your Floor Location.

RAFFLE PARTICIPATION (REQUIRED)

ALL EXHIBITORS ARE REQUIRED TO BRING A DOOR PRIZE valued at \$50 or greater. The prize will be displayed at your booth and picked up by a winner at your booth. You will be requested to leave a signed business card with our Lottery Manager, along with your booth number, to facilitate your location.

A prize lottery drawing will be conducted and announced via text message to **Registered Attendees Only**. Proof of Prize Winner Eligibility will be the return of your signed business card, with the winner's name & number on your card, as verified by our Lottery Manager.

NOTE: By participating in the raffle, you will obtain access to a complete contact list of attendees who are signing up to take part in the raffle. All attendee raffle participants will give their consent to share their contact information with you. This is a huge value add we are implementing this year!
